

Muse

Video Editor — short-form, explainers, promos, YouTube, motion graphics

reignshamill@gmail.com · musepriest.pages.dev · X @musepriest · Nigeria (remote)

PROFILE

Remote video editor based in Nigeria, cutting short-form social content, product explainers, promos and long-form YouTube. Tight pacing, kinetic captions and clean motion graphics, delivered in 24–48 hours.

SELECTED WORK

Showreel [Watch on X ↗](#)

Highlights across ads, explainers, kinetic captions and docs

Product explainer with voiceover · Stealf [Watch on X ↗](#)

Voiceover-led product breakdown with synced captions and motion graphics

Promo skit · Velo x Zebec [Watch on X ↗](#)

95-second creator-campaign promo, 4:5 for the X feed

Brand piece · Era Wallet [Watch on Vimeo ↗](#)

Entry for Era Wallet's video editing challenge

EXPERIENCE

Freelance Video Editor · Remote

- Short-form edits for creators and brands: reels, TikToks, YouTube Shorts and podcast clips, offered as fixed packages on Fiverr.
- Robotics and AI interview clips: vertical cuts of key moments with word-by-word karaoke captions, branded layouts and speaker name strips, published to YouTube Shorts and X.
- Creator-contest entries for web3 brands, including Stealf, Velo x Zebec, Era Wallet and Hisa: product explainers with voiceover, promo skits and motion-graphics pieces built to each brief.

HOW I WORK

- A free test edit first, so you can judge the fit before paying.
- 24–48 hour turnaround, delivered in the aspect ratios each platform needs.
- Every edit gets a caption, colour and sound pass, with audio mixed to social loudness.

SKILLS

- Short-form social edits (9:16, 4:5, 1:1)
- Promos and ads
- Explainers with voiceover
- Long-form YouTube
- Motion graphics and kinetic type
- Captions and karaoke subtitles
- Sound design and mixing
- Colour correction and grading
